DEFENDANT'S UNOBJECTED-TO MOTION FOR
AMENDMENT OF CONDITIONS OF RELEASE

The defendant, Alex Levin, moves pursuant to 18 U.S.C. § 3145(a)(2) that this Court amend the conditions of release ordered by this Court on May 12, 2016 (Dkt. 85). Specifically, the defendant moves that his curfew be extended until 1:00 AM on Friday and Saturday so that he may take additional night shifts as required by his job. Pretrial Services, through Probation Officer Chrissy Murphy, assents to this motion. The United States, through Assistant United States Attorney Anne Paruti, has no objection to this motion. As grounds therefore, the defendant states the following:

The defendant began working at a shipping fulfillment center in August, 2016. The defendant's supervisors have been impressed with his work and offered the defendant a full-time position as a Senior Workflow Process Manager, which he accepted. The defendant has been asked to take on additional shifts in his role as a manager at the fulfillment center.

The defendant has abided by his conditions of release at all times since being released in April of 2016. The defendant's other conditions of release: report to Pretrial Services; remain in Massachusetts; maintain residence and do not move without prior Pretrial Services approval; refrain from excessive use of alcohol; refrain from drug use; submit to random alcohol and drug testing; submit to location monitoring with a GPS ankle bracelet; curfew; and no unsupervised contact with children under 18 except his daughter, would remain in place.

WHEREFORE, the defendant moves that this Court extend his curfew until 1:00 AM on Friday and Saturday so that he may take additional night shifts as required by his job.
